# CURRENT EVENTS

**CLOSE-UP OF SATURN** - An unmanned spacecraft named Voyager 1 sailed past Saturn, sending us photos of a previously unknown planet.

**LANDSLIDE VICTORY** - After 12 years of trying, Ronald Reagan harnessed a time-for-change

conservatism and swept Jimmy Carter out of the White House with a surprise landslide at the polls.

Wide World Photos

**LAS VEGAS CASINO BURNS** - The second worst hotel fire in U.S. history killed 84 and injured 500 at the MGM Grand Hotel. The fire alerted people to the fact old fire safety controls may not be keeping pace with fire control problems in high-rise buildings.

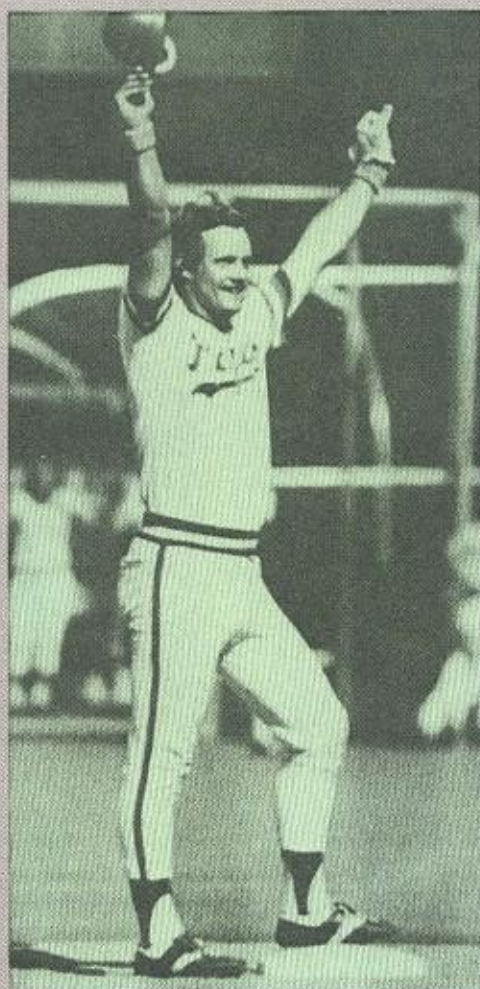

**GOLD MEDALIST** - At the Winter Olympics in New York, Eric Heiden captured five gold medals in an unprecedented sweep of the men's speed skating events.

**DURANTE DIES** - Jimmy Durante parlayed his big nose and sunny affability into a 60-year career spanning entertainment all the way from vaudeville to television. He was 86.

**BASEBALL'S TOP HITTER** - Kansas City Royals third baseman, George Brett, wrapped up the season with a phenomenal batting average just short of .400 and was voted the A.L.'s most valuable player. His team lost the World Series to the Philadelphia Phillies.

**BRUSH FIRES** - A wall of fire headed toward the campus of California at San Bernadino — one of several brush fires that raced through Southern California, destroying over 30,000 acres and over 100 homes.

**IRAN, IRAQ DECLARE WAR** - Iran became sufficiently weakened by worldwide repercussions over the seizure of the American Embassy and became a feasible target for neighboring Iraq.

**BAILING-OUT CHRYSLER** - President Carter shook hands with Chrysler Chairman Lee Iacocca in May after signing a \$1.5 billion federal loan to keep the nation's third largest auto-

maker afloat. When their 1981 line didn't sell as predicted, the corporation started looking for further federal generosity.

**GIVE PEACE A CHANCE** - The hopes of a generation were summed up in John Lennon's poetic lyrics. The former

Beatle was shot and killed on the steps of his New York apartment, causing a worldwide outpouring of grief.

**WHO SHOT J.R.?** - Over 83 million Americans turned on their TV's one Friday night in November to find out who shot J.R. Ewing, the dastardly double-dealer of CBS' "Dallas." The episode had the highest ratings in television history.

# STUDENT COUNCIL DEBATES THE ISSUES

What about the smoking problem? What can we do with the drop outs? The number has grown too large. How about help in getting answers to our questions? Who do we talk to?

These are some of the questions asked by concerned students. They got their answers from the 80-81 student council.

This year's student council dedicated time to discuss such questions and find answers to some of the important problems in our school. This group consisted of 24 concerned students. They spent time discussing the questions that the students wanted answers to. They accomplished many things and tried to answer the major questions. One of the biggest problems was the grading and evaluation system. Many people felt it was unfair to the students who wanted to improve themselves, because others took easy classes just to get an easy "A". Many plans were proposed.

The council sponsored fund raising ideas. One such idea was the Royalty Night Dance.

Out of the 24 students, 8 were officers, and 4 out of every grade were representatives.

The eight officers were: Scott Messler; President, Dan Bunde; Vice President, Lori Houtz; Secretary, Brenda

Hemje; Treasurer, Dave Coover; Senior Representative, Tom Evans; Junior Representative, Jamie Carr; Sophomore Representative, Joe Anderson; Freshmen Representative.

Officers of the Student Council discuss some of the many major and important projects with Mr. Freeman.

# LOTS TO DO AS A FACULTY MEMBER

Every year, new faculty members join the staff at Hastings Senior High. This year H.H.S. welcomed seven new teachers.

Bruce Wood stepped into Mr. Roehr's shoes to take over the orchestras. Patricia Carlson teaches in the resource room. Jane

May joined the ranks of the English department teaching staff and Clovis Hahn became our Title 1 reading teacher.

Teaching half-days was the new freshman home economics teacher, Jan Sherry. Also joining the staff was Phyllis Hobbs in the business department and a new

fundamentals of art teacher, Jean Claus.

Faculty often participate in pep rallies, and this year was no exception. A few unknown teachers showed their "chorus line" ability to the tune of "The Stripper", while Mr. Kroeger led the "orange look" for the crowd.

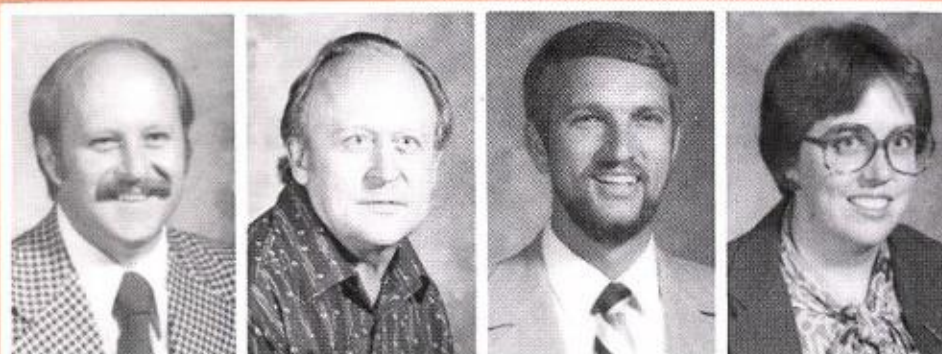

During the A.F.S. fund drive, Mrs. Clowe's graffiti board made a nice sum for her homeroom. Mr. (Rogers) May also helped his homeroom with their A.F.S. punk rock show.

After a while, a new teacher did get into the act. Cha-cha-cha, Mr. Wood!

Punk rock hits Hastings Senior High when Mr. Duensing dons his shades and becomes the first "Devo" band director.

# FRESHMEN GET INVOLVED AT HHS

Entering a new school is different and exciting, and is full of new experiences and adventures. Though their first "Battle Cry" was weak, they soon caught the Tigerland Spirit.

If someone were to describe the Freshmen Class, they might say "quiet, lost or just there." But time proved them wrong. They took part in many organizations such as Student Council, music, sports, debate, and many more.

"Frosh-How I hate that word!" The Freshmen were continually being bullied by the upperclassmen. "How can they always spot us in a crowd?" The upperclassmen expected the frosh to get lost in the maze of halls, ask dumb questions, and be embarrassed. But the freshmen were better than that. They learned to push and shove with the best of them.

The TMH (Trainable Mentally Handicapped) program is a class for handicapped students to learn skills for their lives in an independent world. This class helps them find jobs after graduation. Some of the students work at vocational jobs, at the Holiday Inn, the Hastings Service Office, and in the school cafeteria.

Much of the teaching is done on a one-to-one basis or in small groups of two or three. This method is used because each student is at a different level and learns at his/her own pace. Their classes teach Home Ec., P.E., Math, Self-Grooming, telling time and to count change. They attend convocations and eat lunch with the other students at Hastings High.

The two students graduating with the class of '81 are Lisa Moser and Rhonda Sanford.

Teachers for this program are Sue McDougal, Linda Walsh (aide) and Mary Krull (music, health, and P.E.). Don Sutton is supervisor of the program.

# SCHOOL BOARD ADDED NEW MEMBERS

Five new members were elected to the School Board this year. They were John Barta, Ardyce Bohlke, Honey Lou Bonar, Fred Drummond and Sally Smith.

With the new School Board, there also came a change of routine at our High School. Each class met for 55 minutes four times a week. The change to this type of scheduling provided teachers with more classroom time for activities under the supervision of the teacher. Since each class met only four times a week, it reduced the amount of homework.

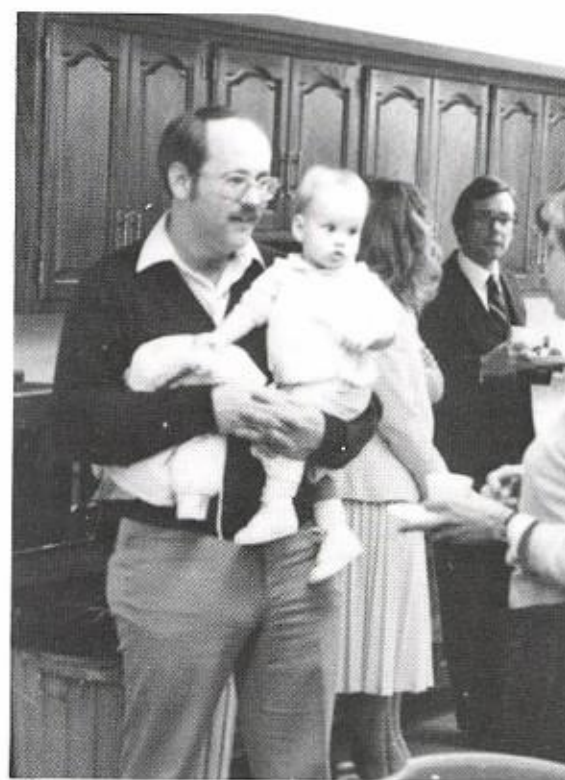

There was also a difference in the graduation requirements. The Class of 1981 was the first class that was required to satisfactorily complete proficiency tests in math, writing, and reading in order to receive their diploma.

They also approved the remodeling of the Foods room. The remodeling was finished in January and teachers and the School Board were invited to "test" out the new facilities.

Thanks for all your time and effort!

The Hastings High varsity football squad was led for the last time by Coach Norm Sheets during the 1980 season. Although the team was led by 12 seniors, juniors and sophomores also made the starting lineups. Coach Sheets said "many times we were disappointed by losing close games, our win-loss record was disappointing, also." Sheets cited Mitch Fraser, Brad Hartman, Dave Klieber, Mark Blessing for their outstanding efforts throughout the season. Players named to the East Big Ten conference team were, Jim Hurt, Mark Blessing, and Mitch Fraser.

# JUNIOR VARSITY GAINS EXPERIENCE

Due to the lack of numbers for the Varsity team this year, the Junior Varsity suffered by losing most of its juniors to the Varsity squad. Of the twenty-eight players who made junior varsity, only eight of them were juniors. This is one good reason for their poor record.

Coach Troutman, the newest face this year to the HHS coaching staff, and Coach Hartfield had control over the junior varsity squad. Even though they didn't win any games, "Their effort was good. It is tough when you have to play sophomores against juniors," said Coach Hartfield.

Hastings' season began with a loss to Columbus, 21-0. Their efforts in the next three games were valiant, but not enough. They lost to Beatrice, North Platte and Grand Island. Their fifth game was cancelled due to snow.

The best way to look at the junior varsity's season is to think of the experience gained by all the underclassmen. With that much playing time as sophomores, they should work extremely well together in the next two years.

Tiger sophomores finished their season with a 1-2 record. The sophs had to overcome a lack of players. The young Tigers had their only victory at home in a tough 7-0 game against Minden. The two losses came in a 0-6 game with Kearney and a 0-32 game against Grand Island. The sophs were led by lettermen Roger Aspen, Robb Bunde, Brad Cramer, Steve Kiolbasa, and Russ Sealey. The number of sophomore lettermen caused problems for Coaches Docker Hartfield and Gary Troutman as they lost these five players to the Hastings High varsity team.

The losses arrived when the Tigers faced Grand Island Barr, Grand Island Walnut, Columbus, Minden, and North Platte Adams. The high part of the season was the win over Kearney. Outstanding efforts were turned in by Reggie Kenny, Paul Hurt, Jon Engelhardt, Brian Wigert, and Mike Boyd. The Freshmen were coached by Louis Panas, Mel Carlson, and Joe Thompson.

When the Cross Country season ended last fall, the team realized that they had performed better than any other HHS team to date. Top finishes by Darin Honn, Scott Finley, and Brian Kranau were major reasons for Hastings doing so well.

The team began on an average not by only placing fifth at the Wesleyan Invitational. It soon picked up as Darin won the next two meets and Hastings High captured a first place finish, the first one ever for our C-C program.

Over the next three weeks, the best Hastings High could do was fifth, fifth, and fourth. Individual honors went to Honn and Finley, who both ran very well.

The next meet was at Beatrice, where Darin and Scott decided to cross the line together and share first place. The teams season ended as Darin won Districts, but only Darin made it to state.

# VOLLEYBALL HAS A REBUILDING SEASON

The Tiger Volleyball season was unique in many ways; the beginning as well as the end could not be compared with many other seasons at Hastings High.

It began in much the same way as every other year. Coach Denise Teetor had hopes of building a team around Seniors Sue Hartman, Anne Schlachter, and Laurie Watson, and juniors Lorie Arneson, Barb Bennett, Diana Dunham, and Cheryl Nelson.

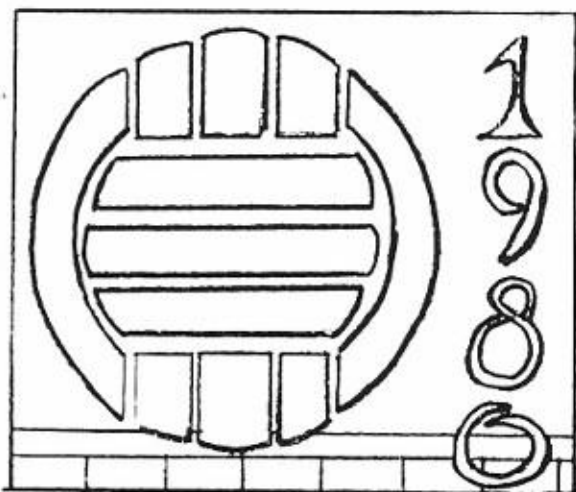

Some people call it a jinx and others call it fate. It came in the form of injuries, and it hit the volleyball team in full force. Anne Schlachter returned from South America with a sprained ankle and was off the active list for the beginning of the season. Sue Hartman injured her ankle during the first week of practice and was in a cast for most of the season. Setter Barb Bennett also experienced an ankle injury during the season, and Ann Sandstedt suffered a broken finger. Despite all of the injuries a positive attitude prevailed over most of the team.

The team ended the season with a 1-13 record. Coach Teetor felt the highlights of the season came when the team avenged their earlier loss to Columbus by beating them 15-4 and 15-11. Another highlight came when HHS won one of three sets from Grand Island, a feat which had previously never occurred.

The leading servers and setters for the Tigers were Senior Laurie Watson and Barb Bennett. Senior Sara Jorgenson and Lorie Arneson were leading spikers and blockers. The East Big 20-10 All Conference selections were Senior Sara Jorgenson and Lorie Arneson. Lorie Arneson was the sole representative chosen for the Trans Nebraska, Plains Division All Conference team.

# J.V.'S GAIN EXPERIENCE AND SKILLS

JUNIOR VARSITY: Michelle Brink, Debbie Jeans, Karen Ocker, Julie Krueger, Lori Draper, Mary Janssen, Jame Lake, Coach Niewohner, Tami Adler, Kay Schumm, Kris Tilley, Sue Fast, Gail Schmidt, Sharon Smith, Becky Gillespie.

The Junior Varsity under Assistant Coach Connie Niewohner finished the season with a 0-11 record. Despite their losing record they had a good year and gained much needed experience for the Tiger Volleyball team.

The J.V.'s also experienced many injuries to key players on the team. Michelle Brink had to finish her year mid-way through the season due to physical complications. Julie Krueger injured her shoulder in practice and missed part of the season. Kris Tilley sprained an ankle and was off the active list early in the season.

Leading setters for the J.V.'s were Paige Fanning and Julie Krueger. Lori Draper, Sue Fast and Tami Adler were the leading servers, spikers, and blockers.

# FRESHMAN SPIKERS SHOW IMPROVEMENT

The 1980 freshman volleyball squad showed that they could hold their own on the court. The freshman A squad had a few problems starting the season, but they finished with a record of three wins and five losses. Their record for conference play was two wins, and two losses. The B squad had a good season as shown by their record of five wins and three losses. When asked about team standouts, Coach Warner cited Stacy Scholtz and Devra Black for excellence on defense, and Barb Howard for her excellent play on offense. She also added, "All the girls worked very hard, and they deserve a lot of credit for their efforts."

"Our team this year showed a lot of improvement, and I anticipate many more good seasons from them in the years to come," says Coach Warner about the season. When asked about her opinion of the season, team member Stacy Scholtz commented, "We all worked really hard, but it was worth it, and we had a lot of fun." When asked about future seasons, Wendy Tschuner said, "I think we've got a lot of potential for the years ahead, but we are going to have to work at it."

The Hastings High tennis teams enjoyed a very successful year. The Varsity netters found their first taste of victory as they downed McCook, 9-0. Over the next two weeks, our squad was at home and defeated the North Platte and Lincoln High squads 8-1 and 7-2, respectively. Then they were off to their first invitational, the North Platte Invitational. Their efforts earned a well deserved first.

In the next two weekends, the tigers had three away dual meets and the Hastings Invitational. The first weekend went extremely well as Hastings didn't lose a single match to Beatrice or G.I. They kept their winning streak alive as they defeated Lincoln Northeast the following week and then won the Hastings Invite.

The squad then travelled to Kearney to battle Kearney Catholic. They won one of the closer meets of the year, 6-3.

Four days later the netters were at another important invite. This time the Big 10 meet was at hand. For the first time in the season, Hastings did not win. The only consolation was in knowing

that the Fremont squad that won would be in a different class at state.

The last dual meet was against Kearney. Hastings pooled all their resources and squeaked by. Coach Fike thought of this as a fitting challenge before state.

Three days later the Tigers found themselves at the University of Nebraska for the state meet. Hastings was one of the top seeds attending the tournament. The second doubles team was made up of Steve Scholtz and Ken Zaroben. The first doubles team consisted of Doug Tegler and Jeff Lake. The singles competitors were Rich Lloyd, second singles, and Joe Miller, first singles.

The highlight of the year came as Doug Tegler and Jeff Lake won first place and became HHS's first state champions in tennis. Another brilliant moment came as Joe Miller became runner-up in first singles. Joe lost to an opponent who was one of the top high school tennis players in the nation. Overall, the team finished in second place.

# HOMECOMING NIGHT BRINGS TEARS, EXCITEMENT

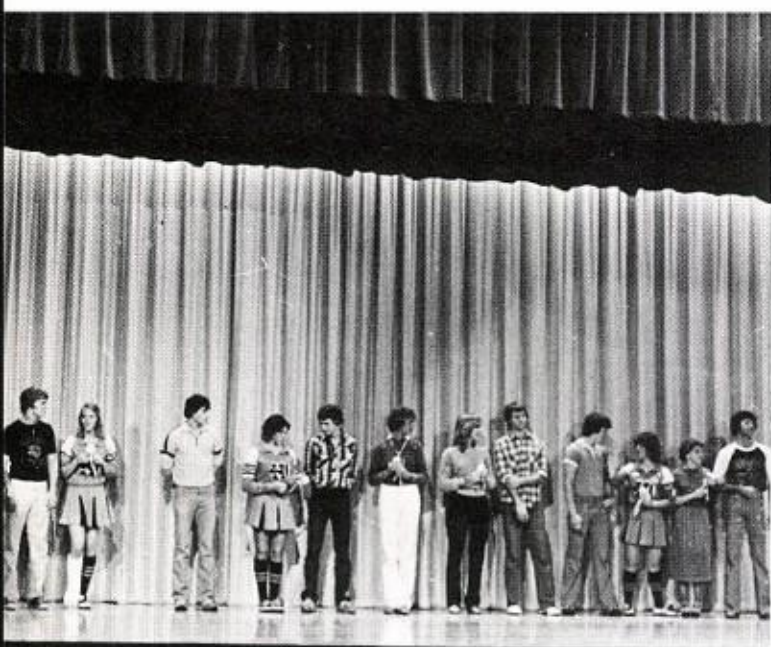

October 3 was a long day of suspense and waiting. That night a new Homecoming king and queen would be chosen.

On the preceding Tuesday, twelve candidates were nominated. The queen nominees were Brenda Hemje, Sara Jorgenson, Kim McCarty, Chris Minnick, Sue Schmidt, and Laurie Watson. King candidates were Dan Bunde, Dave Coover, Darin Honn, Jim Hurt, Randy Kissinger and Scott Messler.

On the Wednesday before Royalty Night, there was a pep rally between St. Cecilia's, Adams Central and HHS at the Imperial Mall. The rally was a contest of school spirit. Bill Feis, Brad Hartman and Don VanAckerman wolfed down three whoppers apiece to help lead the Tigers to victory.

Despite the fact that the Tigers were trailing McCook at halftime on Royalty Night, spirit was still high. Last year's queen, Mary Feis, returned to crown Sara Jorgenson the 1980-81 Homecoming Queen. Chris Minnick was named Maid of Honor.

The Tigers lost the game 28-6, but the fun had yet to begin. Couples attended the Royalty Dance held in HHS's gym, where Jim Hurt was crowned king by last year's king, Steve Crabtree. Scott Messler was chosen as prince.

# FALL PLAY SUCCESSFUL

Murder, mystery, and comedy. If you like these the fall play was for you. "A Tomb with a View," a three act play was presented November 14 and 15. The play was about the mysterious deaths of the heirs to the Tomb fortune.

"A Tomb with a View" was written in 1978 by Norman Robbins. The play is carefully designed to leave you clues throughout the play until the third act when you discover the murderer, or murderess.

The play was directed by Mr. Ron Veburg, and it starred Mike Obenchain (Hamilton Penworthy), John McClelland (Lucien Tomb), Mary Franzen (Dora Tomb), Sandy Andrew (Emily Tomb), Larry Holcombe (Marcus Tomb), Susan Schmidt (Freda Mountjoy), Scott Messler (Peregrine Potter), Melinda Schwab (Monica Tomb), Kit Marlowe (Oliver), Gwen Conaway (Nurse Anne Franklin), and Alma Lowry (Agatha Hammond).

"Lots of late afternoons and late evenings, the play was worth it. And if you don't like it, you can drop dead."  
Scott Messler

"I really enjoyed playing the part of Hamilton Penworthy, but I'll be glad when the play is over so I can get rid of this nagging back ache."  
Mike Obenchain

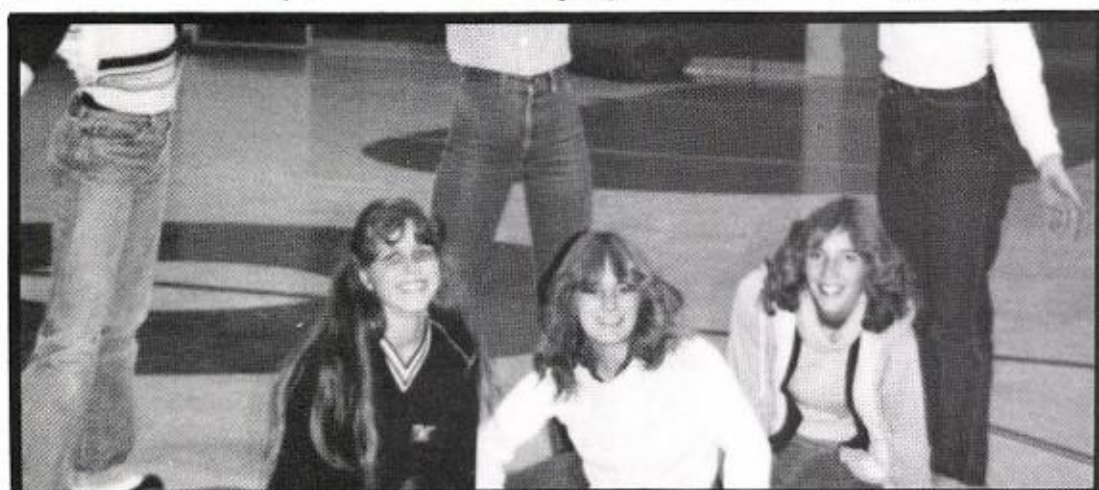

"Playing Dora has really been an experience-she's so dingy. Drama is fun because you get to be someone different from who you really are."  
Mary Franzen

# CLASS OF '82 IS BREAKING THROUGH

The juniors this year were happy to see the freedoms of open campus during lunch period and being rid of the horrible word, "sophomore". The junior class members excelled in all areas from sports to drama to music to scholastic achievement. The effort put forth tells that this years junior class has class! So as these juniors anxiously await their senior year here are some of their thoughts:

Kara DeWitt: Its been a cracker of a year, (firecrackers) now can I have a pass to the bathroom?

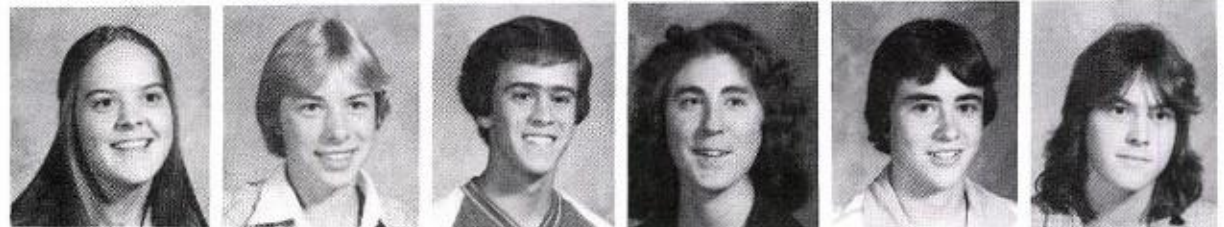

Gena DeRiese: Obviously — I'm in a state of confusion.

Kim Hahne: Wait until next year!!

Shelley Fischer: Moving on to bigger and better things.

A busy schedule with challenging music helped bring off a very successful year for the orchestra. The 1980-81 season kept 70 students active in concerts and practicing such pieces as the Brandenburg Concerto No. 3, Variations on a Shaker Melody and Concerto Grosso by Vivaldi.

Mr. Bruce Wood, in his first year at HHS, received his masters degree at Madison, Wisconsin. His dedication to the orchestra helped to achieve a successful year. "Hastings school system should be very proud to have one of the largest orchestras in the state of Nebraska and I hope it continues to grow," commented Mr. Wood.

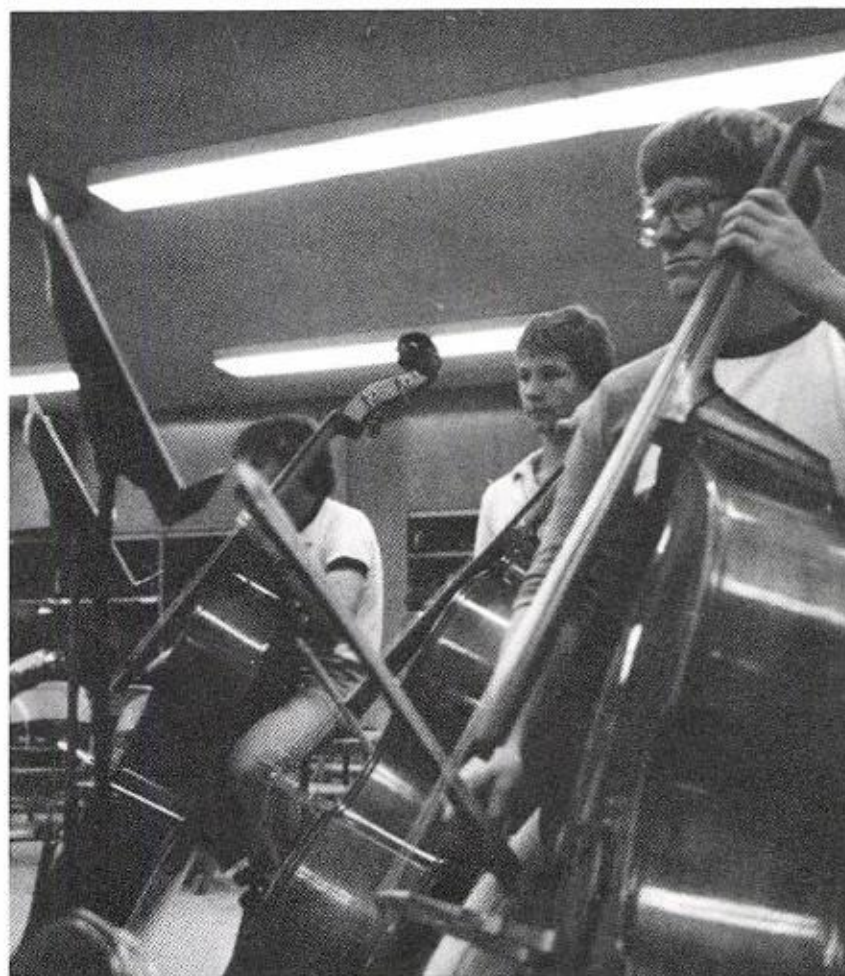

Personal achievements came with several members of the orchestra being chosen for NMEA, Hastings Honor Orchestra, Wesleyan Honor Orchestra, and high ratings at District Music Contest.

As a whole the orchestra had three main concerts during the year plus District Music Contest and a trip to Grand Island on Jan. 27 for the 25th Annual Hastings-Grand Island Orchestra Clinic.

# MANY NEW FACES SPARKLE ON STAGE

The Music Department of HHS made the 1980-81 school year a very successful year. It started off the year with "An Autumn Evening of Song" on Oct. 13. Next, "Sounds Of The Holidays" were heard on Dec. 16. On May 14, the choirs gave the Spring Concert.

Three student teachers taught at HHS in the Music Department: Patty Walkley, Lindley Warren and Jim Kneldsen. All helped Mr. Koozer during the practices and concerts.

Mrs. Cindy Murphy, the new accompanist, was added this year. She played for all the concerts and practices.

The Singers were divided into two groups this year: The Ninth Grade Singers and the Tenth Grade Singers. They did, however, perform together during the Christmas Concert. Fifty-one Freshman participated to form the Ninth Grade Singers, while thirty-five sophomores formed the Tenth Grade Singers.

The Singin' Tigers danced into the picture this year featuring 22 sophomores, juniors and seniors. They were a group of talented singers who did choreographed dance steps with their music. They performed in a Dinner Concert on March 31 to highlight their year.

Members were: R. Copple, G. Copple, S. Cronin, J. Crowley, A. Friberg, L. Holcombe, P. Kingsley, L. Locke, S. Messler, D. Munsell, T. Pringle, D. Run- cie, G. Schmidt, S. Schmidt, M.

Schwab, L. Stewart, S. Sulley, E. Touchstone, M. Weiss, S. Zalman, K. Zaroban.

Singing "Here Comes Santa Claus" at the Christmas Concert, caused many glowing smiles on the faces of the kids in the Exceptional Children's Mixed Choir, when Santa Claus stopped by to greet them on the stage. The choir kids, led by Mary Krull, were excited weeks before for their performance. Their faces expressed their excitement too, as

they sang "Toyland."

Members were: Jay Weston, Rhonda Sanford, Jeff Worley, Abby Davis, Jim Kathman, Christy Clabaugh, Debra Wiedel, Belinda Foley, Lisa Moser, and Julie Engelhardt.

Top: Liz Oliver, Gena Rolls, Dean Reichert, Michelle Harris and Barb Howard relax before the Christmas Concert warm-ups.

Mr. Robin Koozer directed all the choirs through this year's exciting concerts and rehearsals. Mr. Koozer had a very energetic approach to the music this year. Many new sounds were heard from the choirs and groups. Mr. Koozer commented, "It's always nice to see new faces in the vocal music classes, and there are a lot of new singers that are enjoying it."

Many students participated this year in the music contests. Six were chosen to perform in the Hastings Honor choir

on January 29-31. Thirteen kids were chosen to be a part of NMEA this year. The concert was on November 20-22. The District Music Concert was well attended on April 24.

Top Left: Members of the Chamber Choir sing "Soon Ah Will Be Done" at a Thursday afternoon practice. Top Right: Julie Crowley feels the song "Kiss Today Goodbye" as Regan Copple looks on. Middle: The Concert Choir, directed by Robin Koozer, participated this year as an all girl choir. Bottom: Sarah McDougal, a Madrigal, helps out by accompanying the choirs with Mr. Wood.

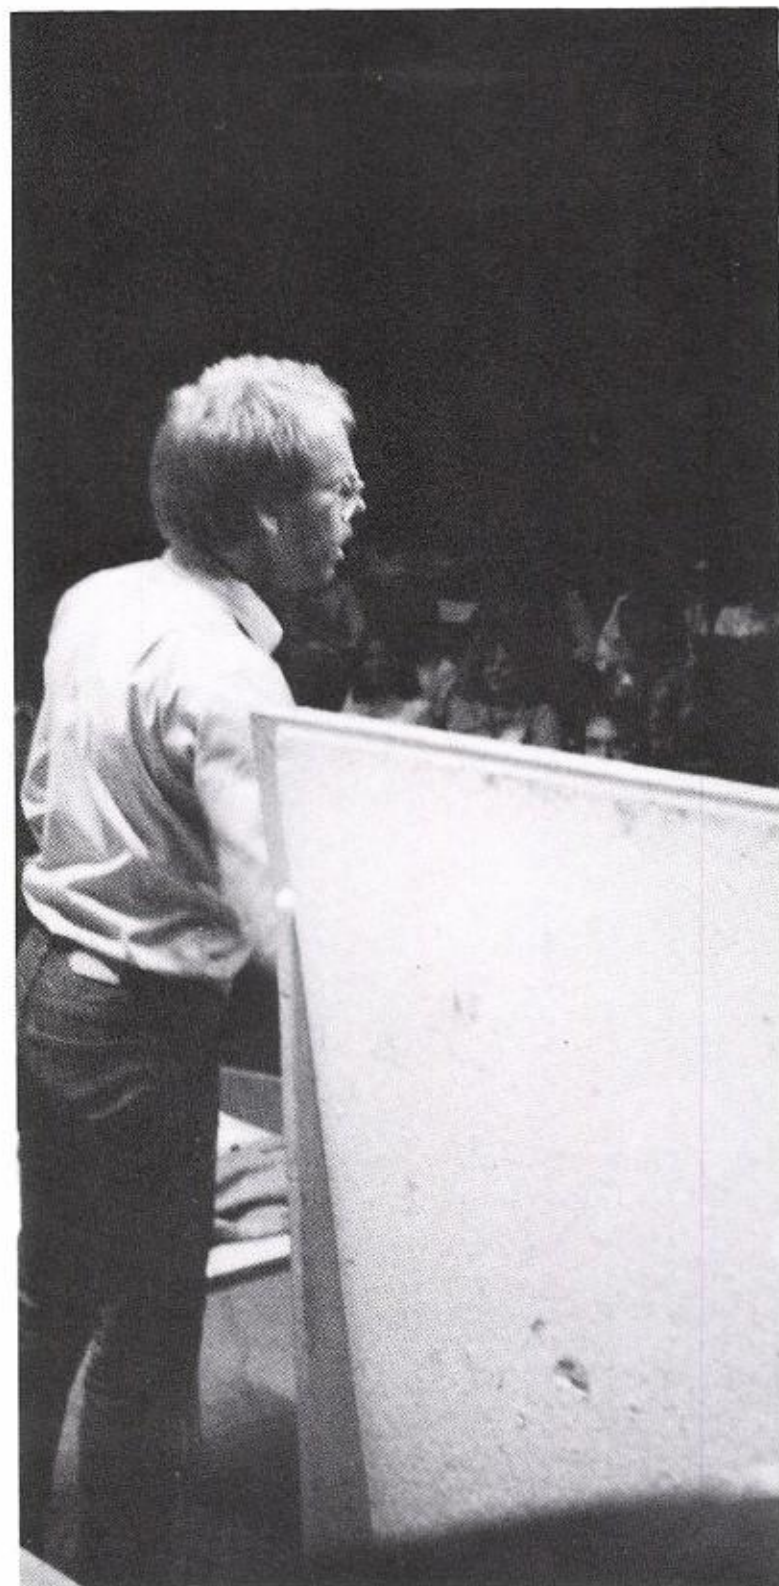

The Madrigals, singing songs from the 16th century to the present, consisted of 18 students, grades 10-12. They performed for benefits and special performances. During the Christmas season, they did a TV show, where they sang Christmas carols and other favorites. They performed the traditional candle light singing in the Christmas concert.

One member commented, "One thing I like about Madrigals is we are all like a family. Everyone has the same goal, to be as professional as we can be. When we accomplish something, all the hard work seems to pay off."

Members were: D. Coover, G. Copple, S. Cronin, J. Crowley, A. Friborg, R. Harding, P. Kingsley, J. Kroeger, K. Locke, L. Locke, S. McDougal, S. Messler, A. Moul, D. Runcie, S. Schmidt, M. Schwab, K. Thomas, M. Weiss.

This year the Chamber Choir had a very good group. There were 65 members in grades 11-12. The Choir hosted the G.I. Choir here for the Hastings-G.I. Choral Clinic. The guest clinician was Fritz Monfred. One member said, "The clinic was fun and informative. We didn't just put on a concert, we did a show." The Choir participated in the District Music Concert.

The Concert Choir consisted of all girls this year. They performed pop songs at the 3 concerts. Although there were no boys, the 22 girls sounded great.

# HHS BAND RECEIVES HIGH HONORS

The pride of Hastings High is always shown in the spirited Marching Band. This year was no exception with the band bringing home two first place trophies; one at the York Festival Parade and the other at home in Hastings at Melody Round-up. On October 4th the band marched to a Division II rating at Harvest of Harmony in G.I.

The main event during marching season is always the State Marching Contest in Lincoln which is held in Pershing Auditorium. This year the famous day was Saturday October 25th, when the HHS band received the highest rating, a Division I and a trophy for the third year in a row giving those seniors who had been in band three years the honor of a gold medal.

## NEW UNIFORMS ADD SPARKLE

Right spin, front spin, around the world, there go the Flag girls, watch them twirl.

This year's Flag Squad had an excellent year. There were 9 girls on the squad. Co-Captains Deb Nelson and Lisa Ricker started off the season early with Flag camp for all and continued practice until the end of basketball. They performed at all the marching band contests and parades, football and basketball games. This was the first year that the Flags were allowed to perform with the band at the Pershing Band Festival. One of them said this about the experience, "It was really an honor to perform beside the band and to tremble with them as we stood out on the floor."

The members of the squad were: Deb Nelson; Captain, Lisa Ricker; Captain, Joanne Hamilton, Pat Meyers, Lisa Bengtson, Amy Spurgeon; Jr. Advisor, Lois Barfnecht, Shelly Zalman, and Shelley Miller. The Flag Squad had the chance to have a rotary exchange student on the squad. Joanne added a lot of variety to the squad and was really fun to have around. As a going away present to Joanne, they all gave her a letter jacket for her to put her emblem and letter on.

The Flag Squad sponsored a dance to help raise money and also sold candy. Both were used to raise money for the girls' new uniforms.

# TIGER BOYS HAVE AN EXCITING YEAR

Left to Right: Head Coach Earl Mullins, Rich Lloyd, Jim Hurt, Dan Bunde, Mark Mullins, Jamie Carr, Jeff Shimek, Steve Shimek, Bill Oltean, Doug Tegler, Randy Kissinger, Mark Kister, Student Coach Doug Phelps, and Asst. Coach Don Nelson.

The Hastings High School Varsity Boys Basketball Team ended their season with a 7-13 record. Head Coach Earl Mullins felt that the season was an exciting one. The 7-13 record doesn't tell what kind of a season the Tigers had. Coach Mullins stated that the Tigers lost eight games by a total of twenty-four points, which means losing by an average of three points a game in those losses. Coach Mullins also felt that with a few breaks in those close games the Tigers could have been 13-7, instead of 7-13.

Coach Mullins cited seniors Rich Lloyd, Jim Hurt, Doug Tegler, Mark Mullins, Randy Kissinger, Dan Bunde, Dave Nelson, and Jeff Shimek for showing leadership and all contributed to the success of the team. Seniors Mark Mullins and Dave Nelson were both selected

to the East Big 10 All Conference and Trans-Nebraska Basketball Teams. Mullins was the leading scorer for the Tigers with 272 points, an average of 13.6 points a game. Mark shot 48.5% from the field. Nelson was the second leading scorer with 231 total points, an average of 11.6 per game. Dave shot 44.7% from the field. This was Dave's second year a being selected to the East Big 10 Team. Senior Rich Lloyd led the Tigers in steals and assists with 27 and 60. Sophomore Jamie Carr led the Tigers in rebounding with 138.

The Tigers will have five players returning for next years varsity squad. They will be juniors Steve Shimek, Bill Oltean, and Mark Kister. Sophomores Jamie Carr and Darren Theesen will also be returning.

He said that the opening win at North Platte, the win over Lincoln SE, and the close win against arch-rival Grand Island were all good victories. Coach Nelson also stated that he had seen good improvement in all of the players, but he cited sophomores Darren Theesen, Dave Hamburger, and Lance Davis as all three showed a lot of improvement. The Junior Varsity was a young team in that eight of the twelve players were sophomores. Sophomore Darren Theesen was listed by Coach Nelson as the team member with the most total points. Darren had an 11.7 per game average. Rick Christy led the young Tigers in free throw percentage. Rick ended the season with a percentage of 77.

# SWIMMERS ENJOY A FRUITFUL SEASON

The Boys' Swim Team enjoyed a fairly successful year. Their greatest asset was in the number of swimmers that participated. Their depth provided many valuable points in the dual meets, where a few points could prove to be the difference in winning or losing.

Their dual meet record of 2-2-1 combined with another victory in a triangular meet versus McCook and North Platte gave them a final slate. They also finished first (twice), fourth, seventh, and tenth in various invitational.

The Tigers were fast off the blocks in the first part of the year as they swamped Grand Island and buried Fremont. After that they were disappointed by losing two consecutive meets to schools from Lincoln and a seventh place

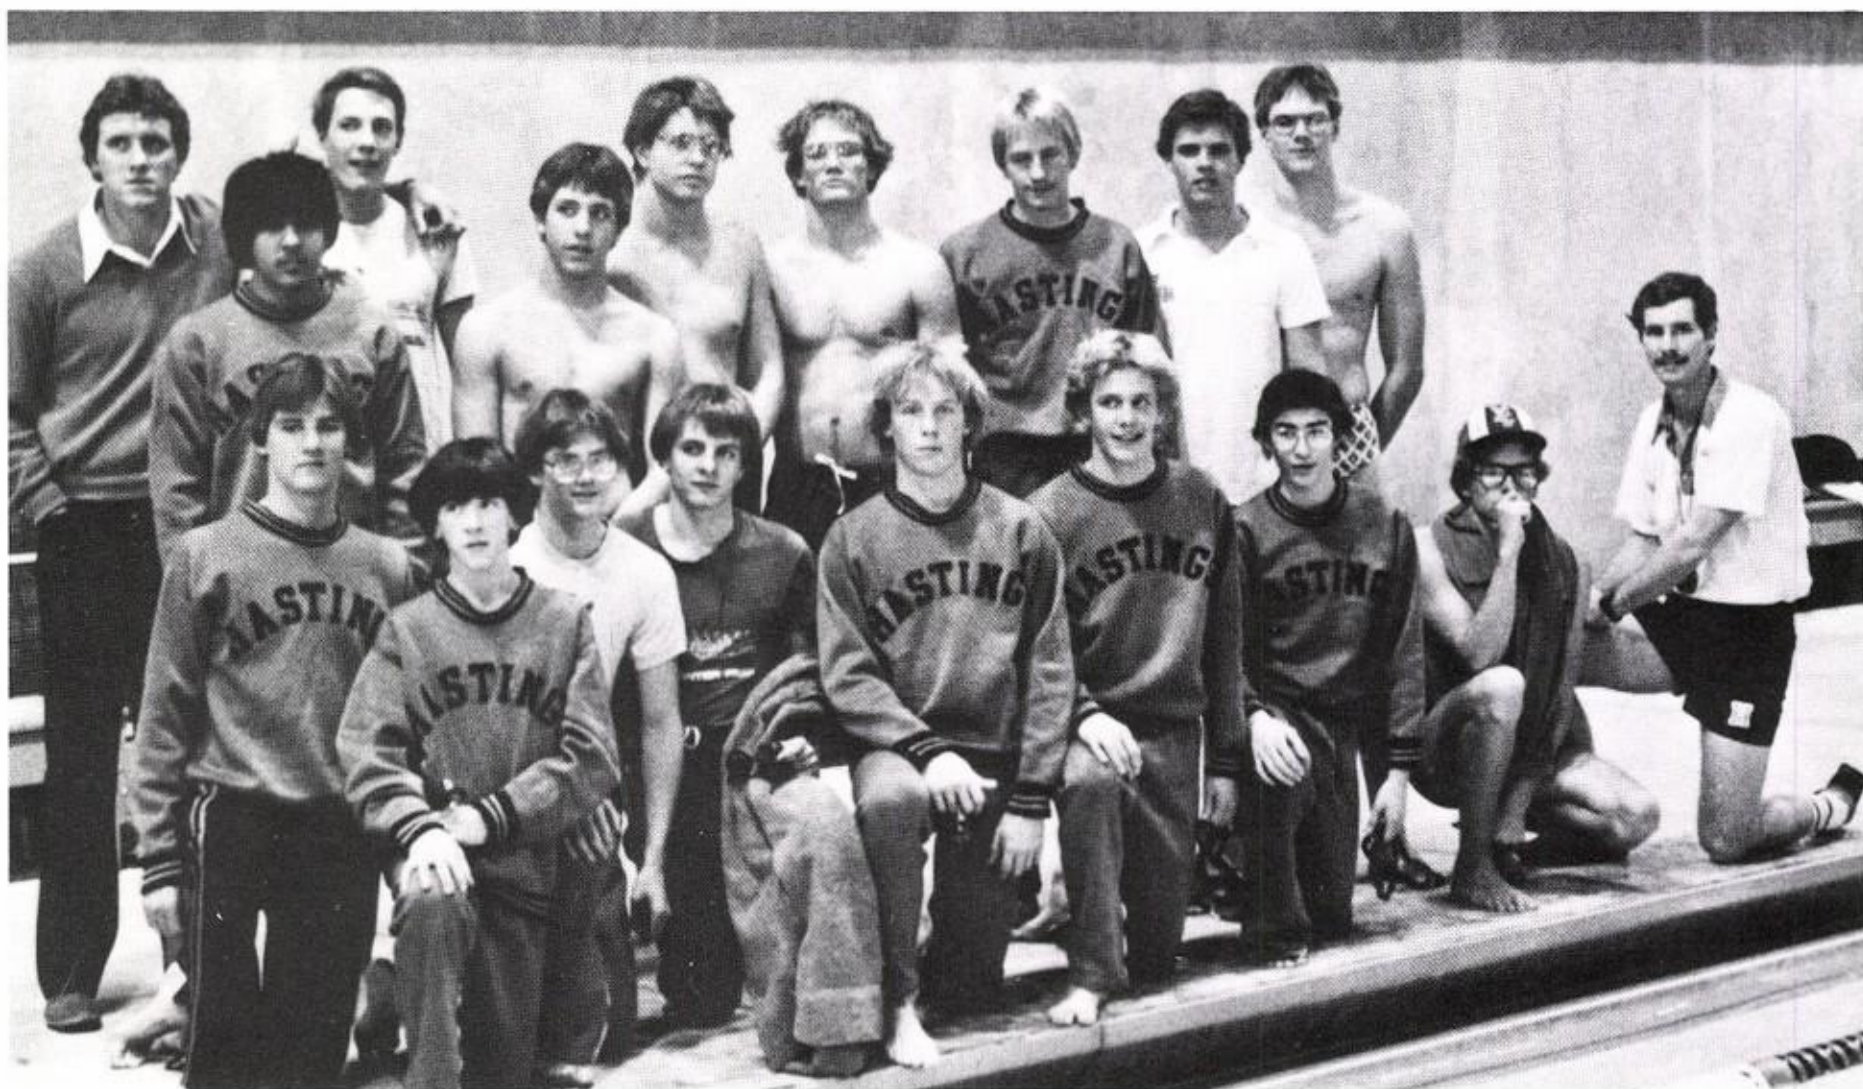

finish in the Husker Invitational.

Their following outing produced a rare occurrence as Hastings High tied Columbus with 41 points apiece. Unfortunately, some of Hastings' main point winners were unable to attend due to illness. Hastings then blasted McCook and North Platte in an exciting triangular meet.

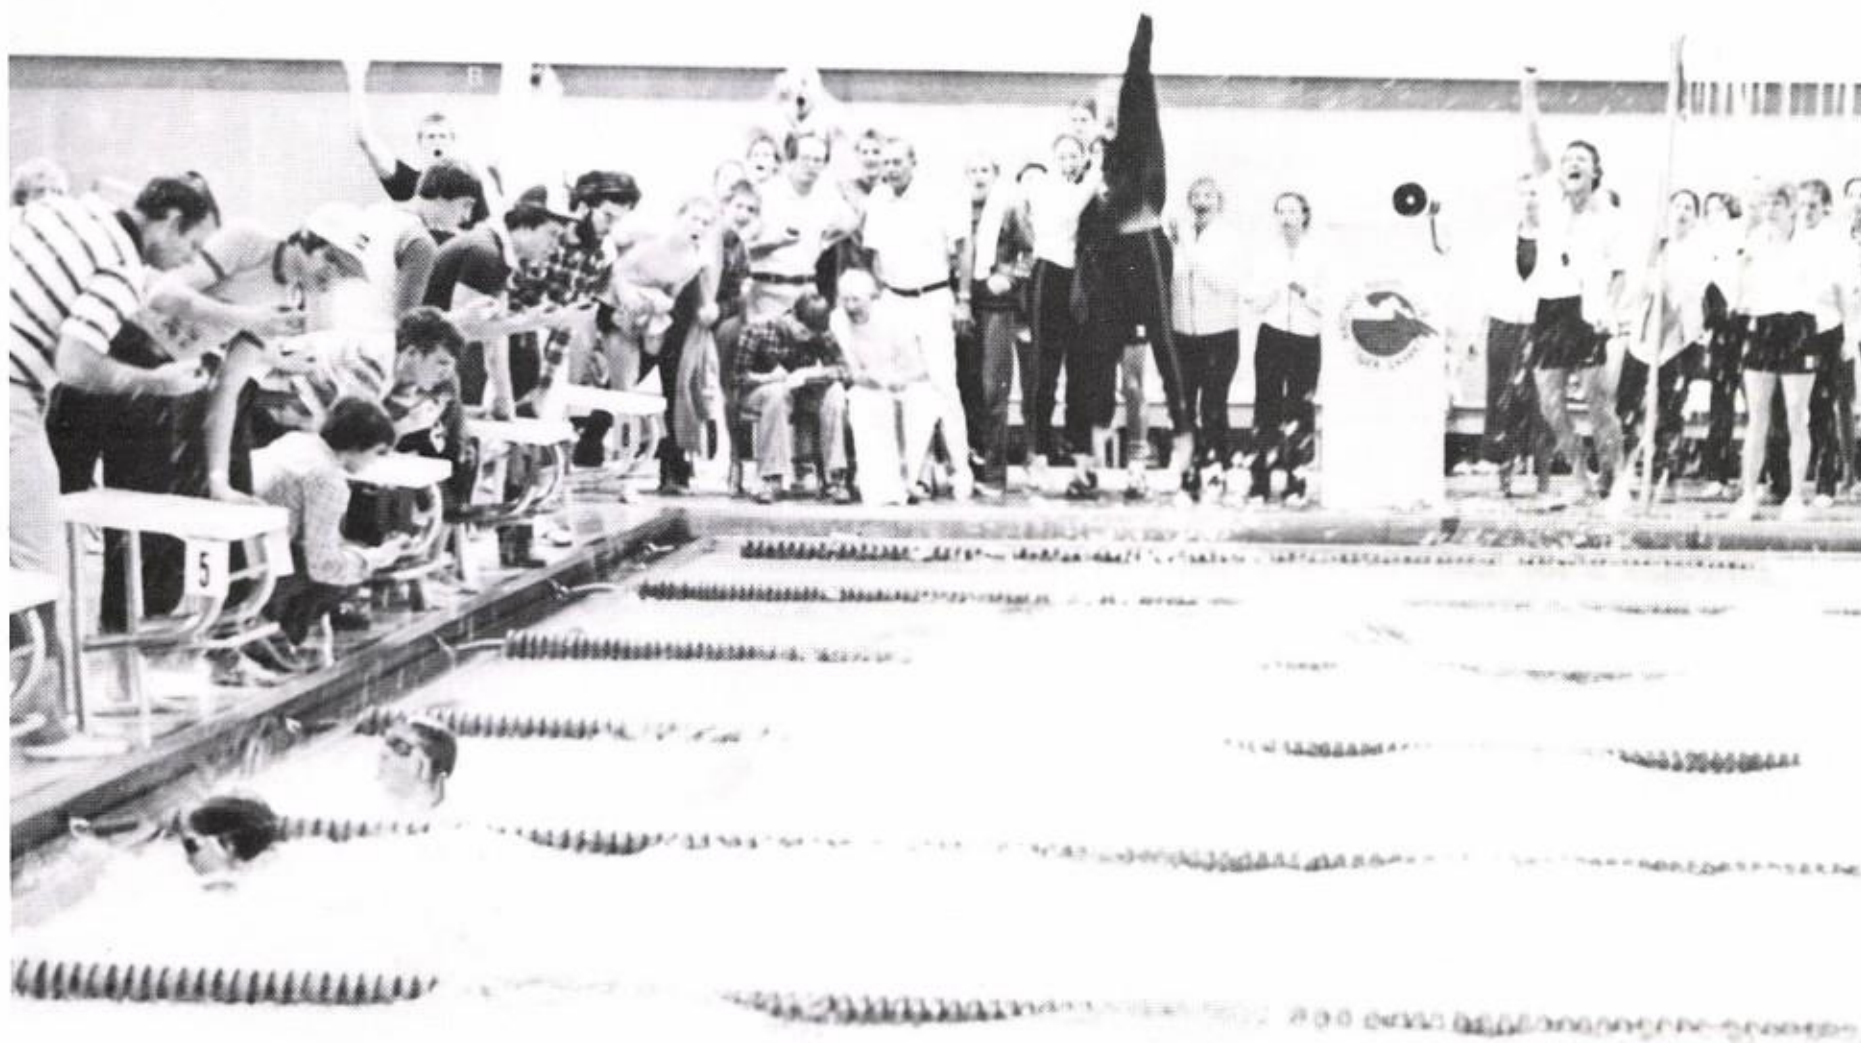

Hastings concluded its season with a string of four invitationals. They were able to place fourth at the Omaha Westside Invite, which had the five teams who were predicted to be in the running for the state crown. The Trans-Nebraska and Big 10 Conference meets were next. Hastings was lucky enough to host both of these meets and proceeded to finish first in both.

The 1980-81 Varsity Girls Swimming season was an overall success. Coach Carla Deger commented, "I was very pleased with all of the swimmers' efforts."

This year was the first year for the boys' and girls' seasons to be combined. The practice schedules and co-ed meets ran smoothly throughout the season. There was more community support for the meets which was an added spark of enthusiasm for the team.

The girls participated in hard workouts all season, practicing in the morning and the afternoon. The swimmers averaged a total of 130 miles for the season.

The season started out great with a victory over Grand Island and girls gained momentum throughout the season, losing only to Lincoln East and Columbus in dual action at HHS.

Coach Deger stated that, "Overall this was a very good season, and we will miss the four seniors on this year's team. Lori Houtz was the #1 diver for the team and Leslie Friend, 1980-81 team captain, was the best distance swimmer. Laurie Jones and Mary Hoggatt also contributed strength in distance events and backstroke respectively. The team consisted of 4 seniors, 7 juniors, 4 sophomores, and 4 freshmen.

Hastings High had four Foreign Exchange Students this year. Seniors, JoAnne Hamilton, Hanna Loyche and Mehmet Germeyah, and one Junior, Julie Vickerey.

JoAnne is from Shepparton, Astralia. She arrived in Hastings in January of 1980. She was a member of the 1980-81 Flag Squad. Over the summer she went to Casavant Camp which is a marching and flag camp. At the last Flag Squad routine, during basketball season, she was presented a letter jacket as a going-away present. She was also on the 1980 tennis team in which she lettered.

Hanna is from Ramlose, Denmark. She arrived in Hastings at the beginning of the 1980-81 school year. People had told her that Nebraska was partly cowboys and partly farmers, but she found out differently. Hanna has two years left in Denmark and plans to study languages. Some of her classes are German, French, Latin, and English.

Mehmet is from Gaziantep, Turkey, which has about 400,000 people and is a bit larger than Hastings. He arrived in Hastings at the beginning of the 1980-81 school year. One reason he wanted to be foreign exchange student is because he wanted to learn a new language. Mehmet has completed his studies at Gaziantep College, where about 500 students attend. At his school he participates in basketball, ping pong, volleyball, handball, and soccer. There are no cheerleaders, Tigerettes, or Flag Squad and he thinks that the school spirit here is very interesting.

Julie is from Masterton, New Zealand and arrived in Hastings in January of 1981. Before coming to Hastings, she stopped in Los Angeles and went to Disneyland. Julie said she was really surprised how flat Nebraska is. Some of her classes here are English, American History, Spanish, and chemistry.

Hanna Loyche (Denmark), Mehmet Germeyah (Turkey), JoAnne Hamilton (Australia)

Julie (New Zealand) enjoys the variety of books found in the HHS library.

# ART AND RIFLE CLUBS HAVE GOOD YEAR

Art club members from left to right: D. Ackerman, K. Shutt, D. Alexander, D. Brewer, B. Jernberg, M. Paulson, R. Crandell, T. Burgess.

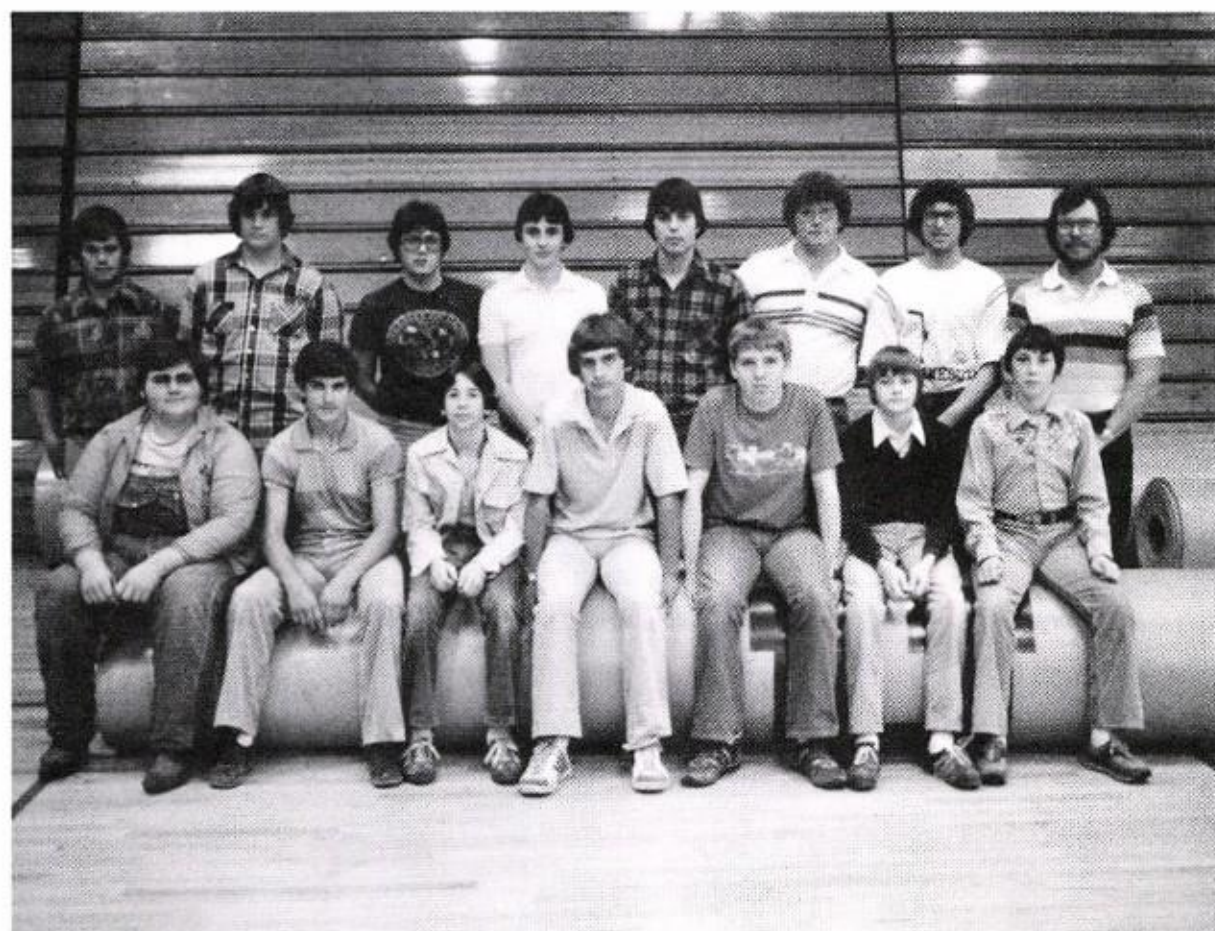

The Art Club had a very busy year. They started with an Initiation Party for its new members. This was a chance to meet with the other members and to learn about the coming club projects and activities.

They also painted a mural picturing the school and many of the activities that are focused around the school. They plan to work on this mural for the next few years in order to finish it.

During the Christmas season, they sold Christmas cards they had made to the students. They also were asked to paint murals on the Goodwill Store window for both the Christmas and Thanksgiving holidays.

The Art Club traveled to Grand Island. They visited the Warehouse Art Gallery and learned about different styles and techniques.

The officers for Art Club included: President; Ranae Crandell, Vice-President; Merry Jackson, Secretary; Becky Hanson, Treasurer; Mel Paulson. Mrs. Kort was the club sponsor.

Pictured above, standing: S. Ready, C. Hinrich, T. Wilson, M. Andrews, J. Moline, T. Frank, J. Sinnard, Sponsor Mr. Cordell. Sitting: J. Shaver, D. Aulner, J. Roth, E. Thaut, W. Woods, S. Ries, J. Clifton.

The 1980-81 year was a good year for the HHS Sharpshooters. They returned five experienced members and an additional thirteen members signed up. Mr. Cordell was their sponsor.

In addition to their regular season, the Rifle Club held a dual meet with Kearney. It was the first meet held at Hastings for a number of years. The club is hoping to expand this meet into an invitational and make it an annual event. Hastings won the dual, taking all three firsts, one second, and one third, and one fourth.

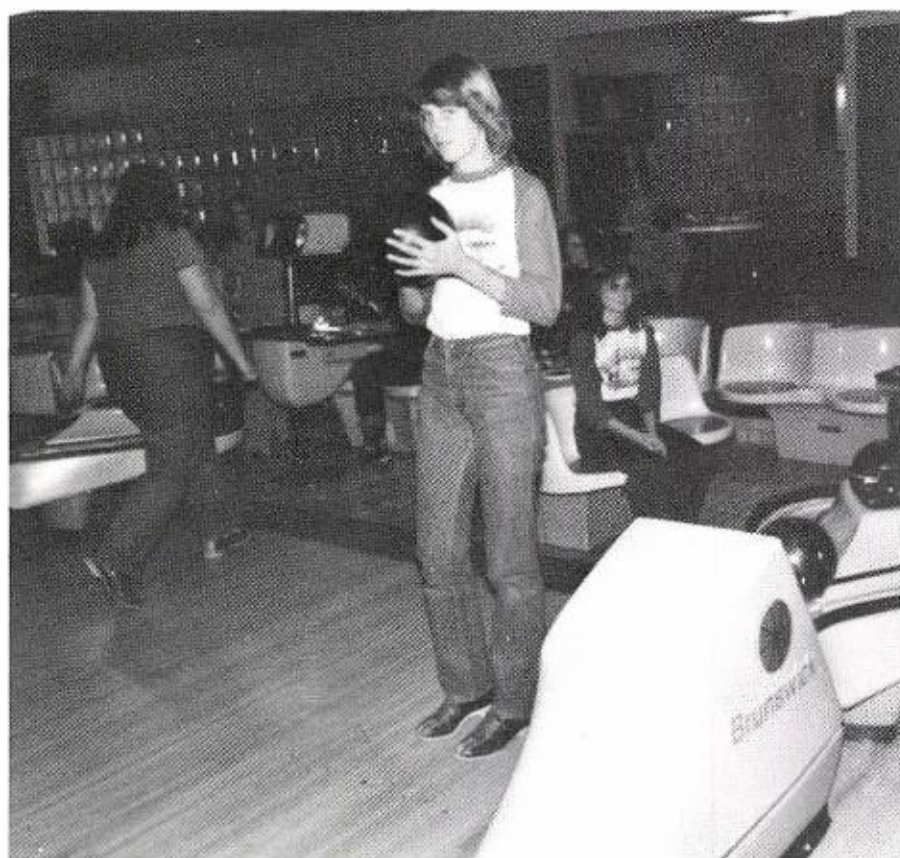

The State meet was held in March. Jim Sinnard placed fifth in the Class AA Division. This class includes shooting from all three positions—the kneeling, standing, and the prone position. Their only other place winner was Eric Thaut who tied for third in the Novice Prone Class. Officers for this year included: President; Jim Sinnard, Vice-President; Tom Frank, and Sec.-Treasurer; Eric Moline.

## JUNIORS AND SENIORS "SAIL AWAY"

On May 16, weird things started happening at HHS. Although there had been secret meetings, private elections, and the like going on for some time, it wasn't quite the same as it was on this certain Saturday.

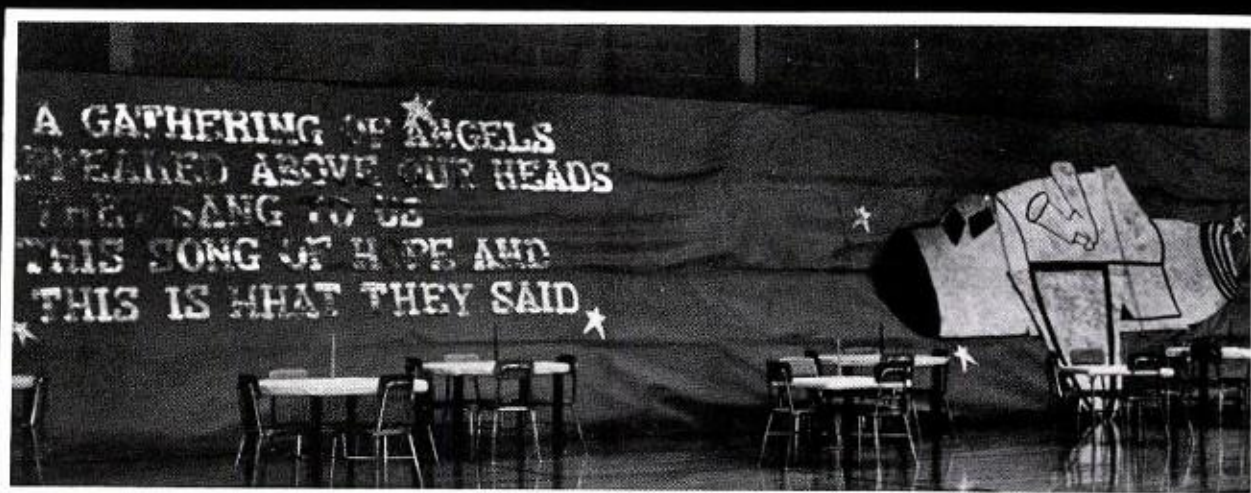

People, who had been there the night before, started arriving at the high school on a Saturday morning! The doors were covered with the words "Junior-Senior Prom" and the activity that went on inside was tremendous.

About nine o'clock that night, people started arriving, dresses in tuxedos and formal dresses. When they entered the high school, they were surrounded by streamers that stretched from the floor to the ceiling.

Upon entering the gym, they were begged to "Come Sail Away" by large posters on the walls and bleachers. From the ceiling hung stars and clouds; and a giant rainbow stretched over the stage. Directly across from it was a poem, composed by junior Becky Hansen, from the juniors to the seniors. Out in the middle of the floor there was a fountain, and to the side there were tables.

Outside, on the landing, one could get punch from servers Robb Bunde, Michelle Mullins, Dave Zielke, or Susan Brehm. Providing music was a group called "Constellation".

No one is really sure what happened at the Senior High on this strange night, and everyone was gone about midnight. The only thing known about this weird occurrence is that a lot of people had a really great time!

Top: These doors are just waiting to be opened by the juniors, seniors, and their dates for Prom. Above: A quote from the theme song ("Come Sail Away"), on the bleachers, reads as follows: "A gathering of angels appeared above our heads ... they sang to us the song of hope and this is what they said" Right: Ken Zaroban (top) and Bill Feis (side) look on as Steve Scholtz prepares to beat Jim Woodward away as they put up Prom decorations.

The times we've had, have been happy and sad  
 It's been a long haul and now you're glad  
 You've gone through the years and now you're  
 Done. So especially for you... The Prom of '81.  
 The times have been special that we all know.  
 In the years ahead, the friendships will grow  
 For Sara and Jimmy on Homecoming night.  
 For Chris and her ankle when she tried to lift him.  
 For Mark when he won the wrestling tourney.  
 For the Seniors when you leave on your journey.  
 Remember the good times and not the bad.  
 For the day you leave we all will be sad.  
 For all involved on graduation night.  
 We hope it's the best and all will go right.  
 On Prom night so special and troubles so few.  
 We've requested the stars to shine just for you.  
 When everyone is dressed and flowers are sent.  
 Give it up tonight, because for you it was meant.  
 When you wake up the next day with the shining  
 Sun.  
 Remember this night and...  
 The Class of '81.

Nevada, Montana, Kentucky, . . . NEBRASKA!! The 1980-81 Flamingo show, dedicated to the states, was presented in March. The annual money making project was a Christmas bake sale. The money earned was for decorations, outfits, and other expenses throughout the year. Twenty girls are picked in the fall so they can practice over the year, under the direction of Barb Franklin.

Said Merry Jackson, president of Flamingos, "I didn't know how much work went into being a Flamingo, but I think I can do a good job. I hope to see all the Flamingos working together to make the show a successful one."

Above, The theme of the 1980-81 show "Salute to the States." Right, Jean steps out in style.

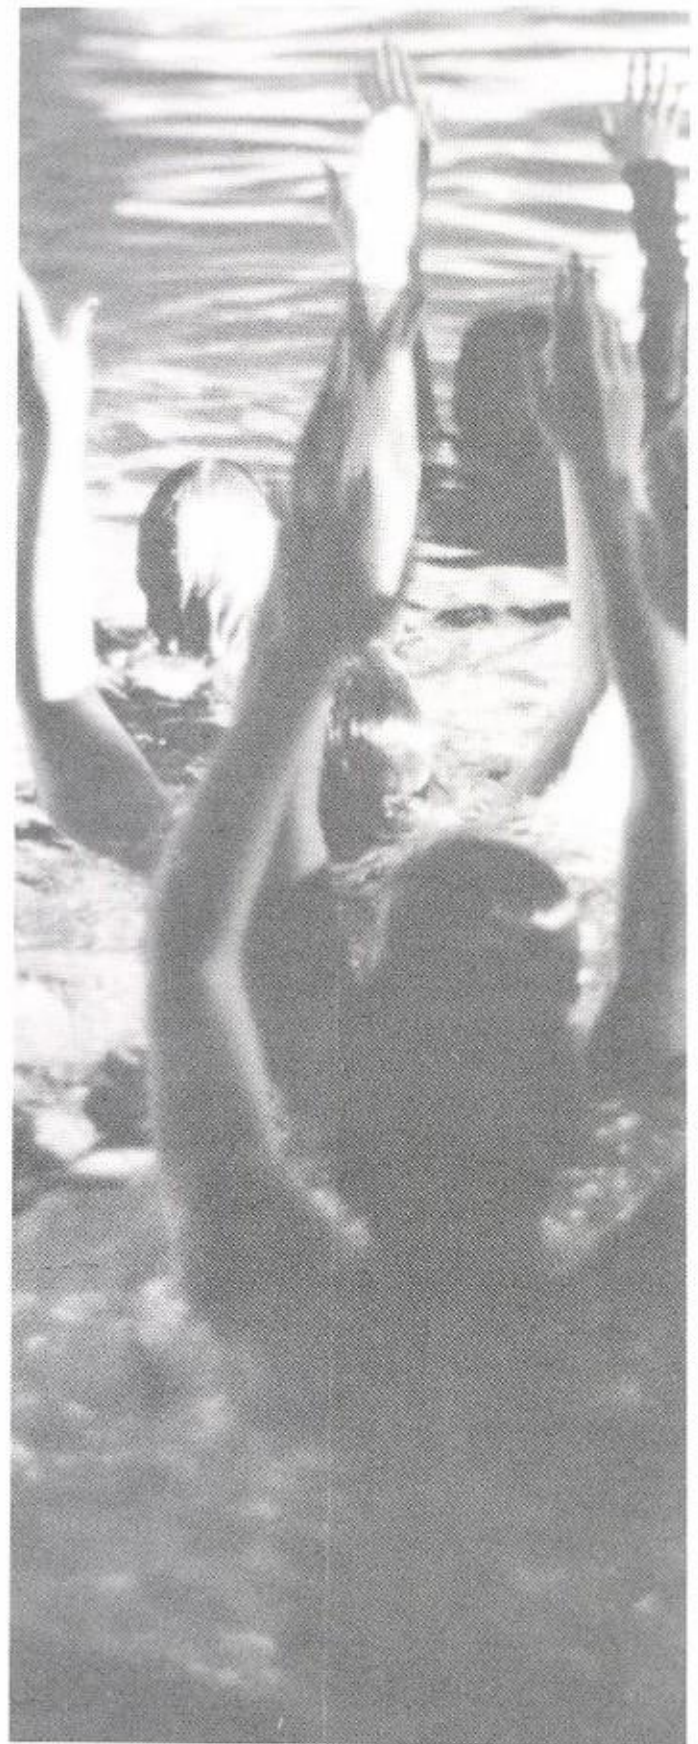

Flamingos show proper saluting techniques.

Get it right girls . . . It's three fingers, not a leg and a foot, when you're going down for the third time.

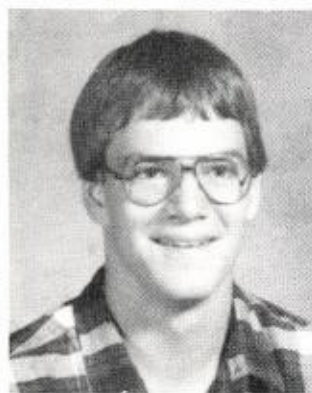

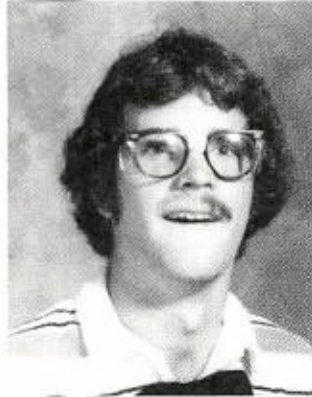

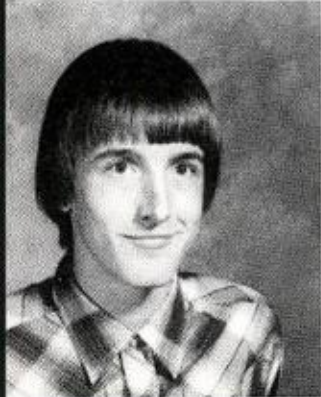

Alright Simon says, "Hands up" Below, Hey! What happened to your bodies.

# GIRL'S TRACK HAS SUCCESSFUL SEASON

Varsity Girls Track: Back Row: Coach Dodd, Coach Teetor, Coach Niewohner, P. Fanning, S. Smith, K. Ocker, D. Park, K. Schumm, T. Smith, J. Foote, L. Houtz, K. Rollins. Front Row: Manager, S. Blauvelt, B. Bennett, L. Watson, J. Kroeger, C. Carl, R. Gering, S. Hemberger, L. Arneson, Manager, Sara Jorgenson.

The Girl's track team had one of its most successful seasons in 1981. School records were broken in the long jump, the 400 meters, the 1600 meter relay, and the 3200 meters.

Kim Rollins set the long jump record with a 16'11½ showing. Terri Smith clocked in a new school record in the 400 meters with a 57.48 time. Julia Foote clocked in a 13:26.4 running in the 3200 meters. The 1600 meter relay record was shattered with a 4:08.25 time, ran by Lori Houtz, Laurie Watson, Lorie Arneson, and Terri Smith.

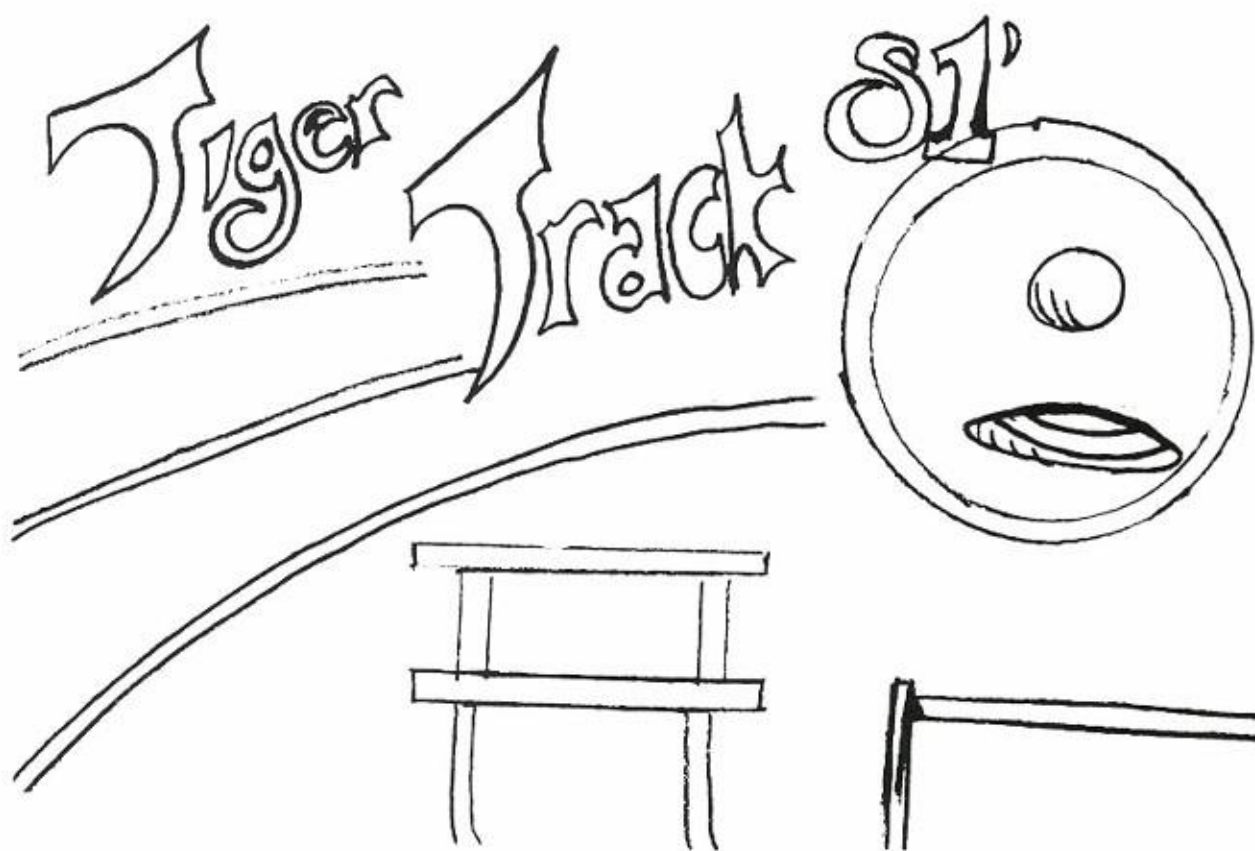

Coach Niewohner noted the highlight of the season as being the first place finish of HHS in the Lexington Invitational.

Seven lady tigers qualified for the state meet in 11 events. Terri Smith was the only finals qualifier, and she eventually finished 3rd in the 400 meters.

Coach Niewohner stated that the successful track season could be attributed to many factors. A few of which were the number of outstanding athletes that participated in track, and the team oriented spirit that prevailed. She also noted the positive attitude that persist-

ed over the team throughout the season. Her opinion of the athletes in gener-

al was, "They were a super bunch of girls!"

TO THE CLASS OF 1981 -

Congratulations to each and everyone of you earning a high school diploma this year. You are the first class that had to meet all of the expanded graduation requirements established by the Board of Education three years ago. The new requirements increased the semester hours from 120 to 150 in grades 10-12, added a requirement in English and mathematics and required satisfactory completion of proficiency tests in reading, writing, and mathematics.

You have excelled in many areas. This yearbook reflects some of these activities and accomplishments. Others will only be reflected in your own memories as you measure your own individual accomplishments.

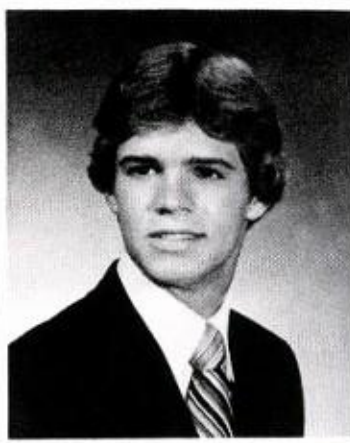

You were appropriately recognized at Commencement exercises Thursday, May 21, 1981. Remember Commencement comes from the word commence which means to begin, to initiate, to act. Graduation from high school is a milestone but it is also the beginning for any place you want to go in the world.

Life has been and will continue to be a choice, not a chance. What you want to do and where you want to go are choices you have to make. Goals you establish for yourself will help determine direction. Set your goals high because your success will be the progressive realization of your worthwhile predetermined goals. Your altitude will be determined as much by your attitude as by your aptitude.

Thank you for making 1980-81 a good year and I wish you well in the years ahead.

Sincerely,

# CURRENT EVENTS

**MOUNT ST. HELENS** - With a blast comparable to the largest H-Bomb ever tested, Mount St. Helens erupted on May 18. Despite all the warnings, 32

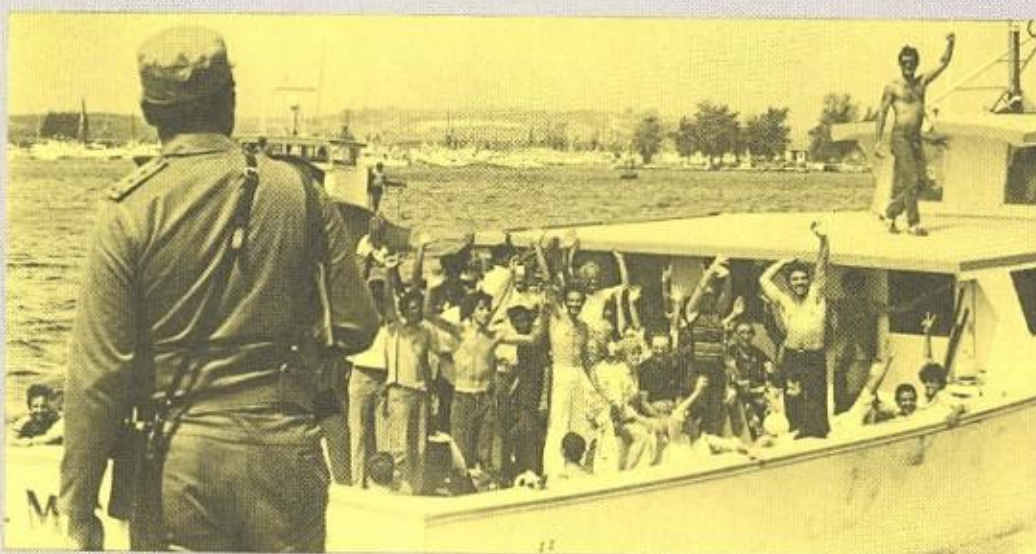

people died and a paralyzing blanket of gray soot dropped over cities, farms and highways as far east as Montana.

**THIRD CANDIDATE** - Although John Anderson won only a small percentage of the popular vote in the presidential election, he stressed that his campaign was not wasted, "We have put the major parties on notice that they can never again come up with the kind of choices they have this year."

**POLISH UNREST** - Poland's striking workers brought down the government and dangerously provoked the Soviet Union.

Wide World Photos

**REFUGEES FLOOD FLORIDA** - In a little more than two months, 110,000 Cubans descended upon the United States. The sudden influx forced Florida's governor to declare a state of

emergency. Cuban President Fidel Castro claimed it was to teach the U.S. a lesson for welcoming Cuban hijackers as heroes.

**TELEVISION STRIKE** - Over 1,200 actors went on strike demanding compensation for videocassettes and cable TV. The long-winded strike lasted several months, delaying the new fall programs.

**HOCKEY VICTORY** - For the first time in 20 years, the American hockey team won the hockey gold medal, defeating

the world champion Russian team. The American team had only been playing together for five months.

**'SHOGUN' FEVER** - The 12-hour television mini-series captured rare top ratings for NBC. Richard Chamberlain played the lead in the story about 17th century Japan.

**BORG WINS, AGAIN** - Sweden's Bjorn Borg falls to his knees after beating John McEnroe of the United States to the All England Tennis Championship for the fifth straight year at Wimbledon.

**THE RELEASE OF THE HOSTAGES** - A surge of relief, joy and patriotism swept the country when the hostages were released from Iran after 444 days in captivity on Jan. 20, inauguration day.

**ACTOR DIES** - Peter Sellers, a mastermind of disguise, played a variety of characters and was lovable in them all, from Inspector Clouseau in the "Pink Panther" films to Chauncey Gardiner in "Being There."

**THE ABSCAM TRIALS** - Two of seven Congressmen involved in the ABSCAM trials are shown arriving at Federal Court with their wives to deny charges that they accepted money in exchange for political favors from an FBI agent, posing as an Arab sheik.

**OLYMPIC BOYCOTT** - Beauty and pageantry couldn't hide America's absence from the Summer Olympic Games in Moscow. A number of

countries boycotted the Games to protest the Soviet invasion of Afghanistan.
